Volunteer Reception Center (VRC) Training

Disasters happen every day all over the world. During times of disaster, caring citizens want to volunteer to help their neighbors and their community. A Volunteer Reception Center (VRC) acts as a staging area to process and disseminate both spontaneous volunteers and pre-registered Citizen Corps volunteers to affected disaster areas. HandsOn Central Ohio is providing training opportunities to establish a cadre of trained, registered and assigned volunteers who are capable of setting up, managing, staffing and operating a VRC that will mobilize and deploy volunteers during a disaster.

Upcoming VRC Training Opportunity:

December 7, 2010
9:00 am to 12:00 pm
COSI

333 West Broad Street
Columbus, Ohio 43215

Please RSVP to Rebecca Verhoff at 614.221.6766 ext. 130 or rverhoff@handsoncentralohio.org
